## Photo taking and Video Recording of Students' Lessons and Work

Dear Parents/ Guardians,

In order to reflect on their teaching standards, the student teachers will take photos and record videos of their students' English lessons and work. The video recording will primarily capture the student teacher's teaching and will not focus on the front profile of the students. It will be done for 2 to 3 lessons only. All photos and videos will be used mainly for teaching or external analysis by a select few from their institute. The lesson observation video and students work might also be found in the student teacher's portfolio as an evidence of their field experience / practicum.

Please complete the reply slip on 6<sup>th</sup> October, 2022. For further enquiries, please contact Ms. Chan Yuk Ting at 2712 1543.

Yours faithfully,  
Ms.W.Y.Yick  
Headmistress
