**Early Identification and Intervention Programme for
Primary One Students with Learning Difficulties**

Dear Parents/ Guardians,

For the period from 9th December, 2022 to 6th January, 2023 our school will conduct the annual exercise of identifying P.1 students at risk for learning difficulties. Teachers will complete the Observation Checklist for Teachers (OCT) developed by Education Bureau for this purpose. The student support team of the school will hold consultation meetings with the teachers of P.1 classes and related personnel to analyse the results of the OCT of individual students and arrange early support for those in need. During that time, our teachers may contact parents to obtain information on the child's schooling background and physical condition, etc. You can also contact the class teacher if you think your child has difficulty in learning and would like the teachers to follow up his/her learning and complete the OCT for him/her. We will contact parents individually in February to inform them of the identification result and the follow-up arrangements for their child.

Please sign and reply to this notice on or before 19th December, 2022 (Monday). For any enquiries, please call our school (Tel: 2712 1543) to contact Miss Lam Ying Tung.

Yours faithfully,
Ms. W. Y. Yick
Headmistress
